

Block Commander Sentence Examples

This document lists examples for the Fast ForWord Language training exercise Block Commander. The sentences are divided into five groups according to the number of objects and the number of properties in the sentence.

Objects refer to the number of shapes mentioned in the command (one or two). Properties refer to the shape's type (circle or square), size (small or large), and color (red, yellow, blue, green, or white).

Group 1: One Object, Two Properties

Touch the green circle.
Touch the yellow square.
Touch the blue square.

Group 2: One Object, Three Properties

Touch the small green circle.
Touch the large red circle.
Touch the large white square.

Group 3: Two Objects, Two Properties

Touch the white circle and the blue square.
Touch the blue square and the red circle.
Touch the red square and the green square.

Group 4: Two Objects, Three Properties

Touch the small green circle and the large yellow square.
Touch the small red square and the small yellow circle.
Touch the large green square and the large blue circle.

Group 5: Other Commands

Relative Placement

Put the blue circle on the red square.
Put the green square behind the white circle.
Put the white square away from the yellow square.

Exception

Touch the squares, except the yellow one.
Except for the blue one, touch the circles.

Touch with Object

Touch the green circle with the blue square.
Touch—with the green circle—the blue square.

Touch Sequentially

After touching the yellow square, touch the blue circle.
Before touching the white circle, touch the blue square.

Miscellaneous

Touch the red circle—No!—the green square.
Instead of the yellow square, touch the white circle.
Together with the yellow circle, touch the green circle.
